0-100 km/h

MAX TORQUE
1,210
Nm

The DENZA Z9GT, the brand's flagship Grand Tourer, redefines what a GT can be.

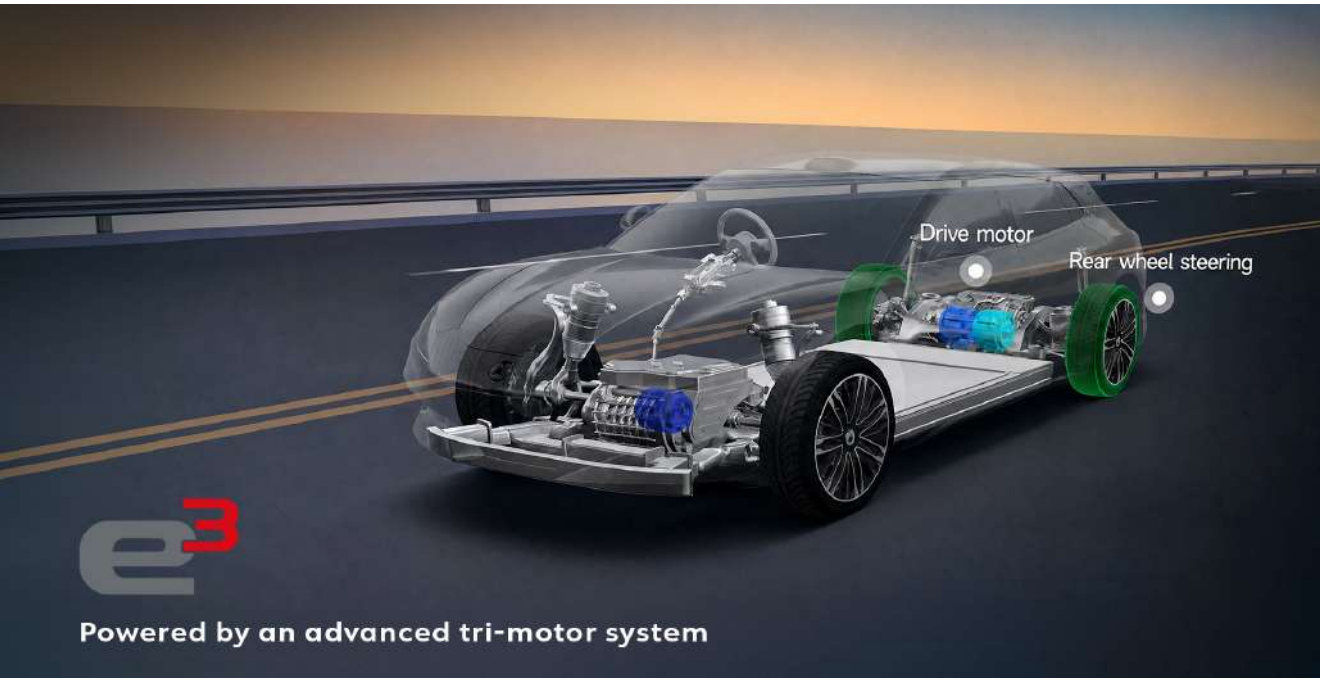
Guided by the philosophy of "Technology Drives Elegance," the Z9GT seamlessly integrates cutting-edge engineering, exhilarating performance and refined luxury into one sophisticated package. Every detail is deliberate. Genuine leather and real wood trim wrap the cabin in quiet, uncompromising craftsmanship, while beneath the surface lies the soul of a supercar, ready to launch to 100 km/h in under three seconds. This is grand touring at its most elevated: raw power, exceptional luxury, and total command, delivered with effortless elegance.experience.

Power,
Refined into Elegance

At the heart of the DENZA Z9GT flagship lies a tri-motor system delivering 850 kW. Yet for all its power, the cabin remains composed. It's a sanctuary that shields you from the intensity outside, while the road disappears beneath you in seconds.

MAX OUTPUT

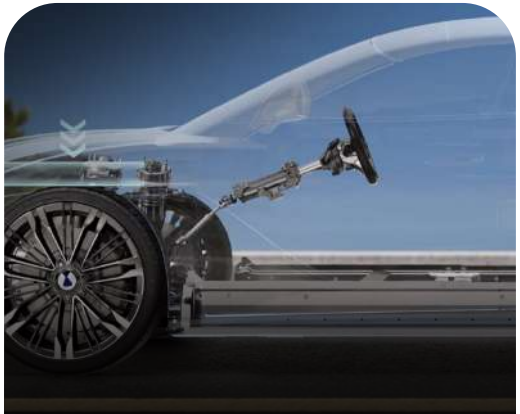
850	1,156	1,210
kW	PS	Nm



Elegance Through Innovation

Built on BYD's advanced e³ Platform, the DENZA Z9GT integrates the 2nd Generation Blade Battery with Cell-to-Body (CTB) construction to deliver exceptional structural rigidity, enhanced safety, and optimized vehicle dynamics.

Combined with three electric motors and intelligent all-wheel drive, the platform enables exclusive capabilities such as Crab Walk, Compass Turn 360°, and e³ Parking Assist, while the Vehicle Motion Control (VMC) system responds in just 10 milliseconds to deliver outstanding precision and confidence in every drive.



DiSUS-A Intelligent Air Suspension

DiSUS-A Dual Chamber Air Suspension automatically adjusts ride height and damping, giving smoother comfort, better stability, and confident control on all road conditions

Max 15° Crab Walk Mode

Imagine entering a tight parking space, Instead of making multiple forward and reverse corrections, this can shift sideways, helping position the vehicle more easily and confidently

360° Compass Turn

Pencil compass turn allows the DENZA Z9GT to rotate in a very tight space by coordinating all-wheel steering and torque control, making U-turns and parking significantly easier

Rear Wheel Steering

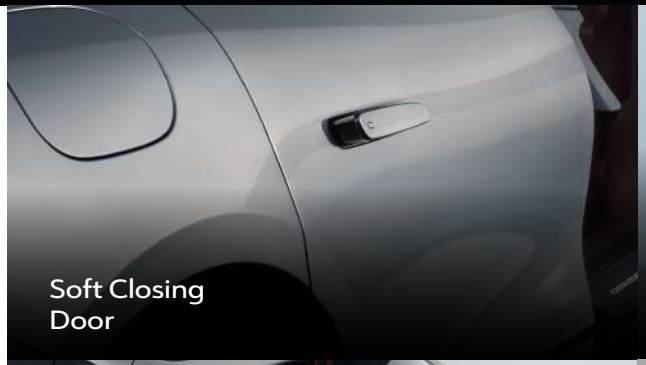
4.62 m turning radius via 20 independant rear-wheel steering, tighter than most compact hatchbacks despite a 5.1m body

The Art of Elegance

Inspired by the fluidity of silk, the DENZA Z9GT features clean, flowing lines that balance refinement, strength and aerodynamic efficiency. A sculpted form that expresses motion with precise intent.

The Golden Ratio Proportions

With a wheel-to-axle ratio of over 3:1 and a wheel-to-height ratio of > 1/2, the DENZA Z9GT achieves a sleek, elongated silhouette that expresses balance, presence, and dynamic elegance. This choice shifts the visual center of gravity rearward, generating a low-slung, and highly dynamic stance that mimics high-end sports cars.



Soft Closing Door

Dual Line Front Light

Dual Tail Wing

Meteor Welcome Light

Elegance,
Designed for Comfort

The cabin is spacious, built for presence. Wood panels bring warmth to every surface. Leather seats offer quiet, lasting comfort. A velvet rooftop completes the space with understated refinement. This is elegance, without excess.

Driver Seat
Dynamic Bolster System

Power Adjustable Dual independent outer seats feature heating, ventilation, massage and electric leg rest

Natural Wood Veneer

Knitted Velvet Roof

Devialet® 20 - speaker premium sound system

Dual Temperature (-6° to 50°) in-cabin mini fridge

Dual 50 W Wireless Charger with ventilation

13.2" 2.5K high-res front passenger screen

Elegance meets Intelligence

The cabin responds before you ask. A smart cockpit anticipates your every move, adjusting with quiet precision. Step your leg near the AR light until it blinks, and the tailgate opens with ease. Intelligent technologies work seamlessly in the background, present but never intrusive. This is luxury that thinks ahead, elegance shaped by intelligence.

Smart Projection Tailgate

DENZA Z9GT AWD EV Specifications

Dimensions	
Overall length (mm)	5,180
Overall width (mm)	1,990
Overall height (mm)	1,490
Wheelbase (mm)	3,125
Trunk volume (L)	495
Front trunk (L)	53
Seating capacity	5
Driving system	
Driving mode	Pure electric all wheel drive
e³ 3-motor electrified platform	●
Motor type	Front : AC asynchronous motor Rear : Permanent magnet synchronous motor
Maximum power (kW)	Front : 230 kw Rear : 620 kw (310 kW x 2) Total System Output: 850 kW
Maximum torque (N.m)	Front : 410 N.m Rear : 800 N.m (400 Nm x 2) Total System Output: 1,210 Nm
Performance	
Acceleration 0-100km/h (s)	2.7
Driving range: NEDC (km)	701
Radius of turing circle min. (m)	4.62
Top Speed (km/h)	240
Battery and charging	
Battery type	BYD 2nd Gen Blade Battery
Battery capacity (kWh)	122.49
DC charging: BYD Flash Charging - 5 mins from 10-70% SoC; 9 mins from 10-97% SoC	●
AC charging: 11kW	●
AC portable charging connection device	●
V2L function (4kW)	●
Suspension	
Front Suspension	Double wishbone with dual chamber air suspension (DiSUS-A)
Rear Suspension	Multi-Link (5) with dual chamber air suspension (DiSUS-A)
Brakes	
Front	Cross-Drilled Brake Discs
Rear	Cross-Drilled Brake Discs
Tyres	
Multi-spoke aluminium alloy wheels	●
Tyre size	255/45 R20
Driving functions	
Driving mode (sport, normal, eco, customize, racing, snow)	●
Rear Axle Steering	Up to 15°
e³ driving functions (Drift Mode, Crab Walk, Compass Turn, Ultimate Steering System)	●
Exterior	
Panoramic glass sunroof with electric sliding sunshades	●
Active air-vents	●
Intelligent electric powered doors, with soft-close functions	●
Frameless windows	●
Electric rear tailgate spoiler	●
Electric open / close charging port cover	●
Front luggage compartment (53 L)	●
Electric open / close tailgate, with remote and AR projection operation function	●
Electrically adjustable, retractable and heated exterior mirrors	●
Interior	
Leather wrapped steering wheel	●
Electrically-powered steering wheel adjustment, with memory	●
13.2" digital drivers' instrument panel	●
Genuine leather seats	●
Natural wood vaneer for dashboard and door panels	●
Knitted fleece headlining	●
Front row dual 50W wireless chargers	●
Rear row single 50W wireless charger	●
12 V charging socket	●

Comfort & convenience	
Bluetooth key	●
NFC key	●
UWB key	●
Keyless entry & Keyless start	●
Electric Parking Brake System (EPB)	●
Portable card key	●
Augmented Reality Heads-up Display (AR-HUD)	●
Seats	
Driver seat: with 10-way power adjustments, 4-way power lumbar adjustments and memory functions	●
Driver seat: with ventilation, heated, massage (5 modes) functions	●
Driver seat: with Dynamic Side Bolster active adjustment	●
Driver seat: with 2-way power thigh support	●
Front passenger seat:with 10-way power adjustments, 4-way power lumbar adjustments and memory functions	●
Front passenger seat: with ventilation, heated, massage (5 modes) functions	●
Front passenger seat: with 2-way power thigh support	●
Rear passengers seat with 2-way power adjustment (reclining)	●
Rear passengers seat: with ventilation, heated and massage functions	●
"Boss button" front passenger seat control	●
ISOFIX and LATCH child restraint anchorage points (outer rear seats)	●
Safety and Security	
Airbags - total 9 Front airbags - driver & front passenger Side airbags - driver & front passenger Side airbags - rear passengers Side curtain airbags - left and right sides Front centre airbag - between driver and front passenger	●
Seat belt reminder - front & rear	●
360° View Parking Monitor	●
Active Tyre Pressure Monitoring System (TPMS)	●
Front: 6 parking sensors / radars	●
Rear: 6 parking sensors / radars	●
Electric Parking Brake System (EPB)	●
Anti-Lock Braking System (ABS)	●
Electronic Stability Control (ESC)	●
Traction Control System (TCS)	●
Electronic Brake Force Distribution (EBD)	●
Driver fatigue monitor	●
Hill Descent Control (HDC)	●
Infotainment	
17.3" 2.5K high-res centre touch screen	●
13.2" 2.5K high-res drivers instrument panel	●
13.2" 2.5K high-res front passenger screen	●
DiLink Ecosystem	●
Car mounted WIFI hotspot	●
Four zone voice interaction system	●
OTA remote upgrade capable	●
Mobile phone cloud computing service	●
4G network connection	●
Wireless Carplay and wireless Android Auto	●
Google Apps Script (GAS) - Google Map, Voice assistance, Playstore etc	●
Karaoke system, with UHF microphone	●
Devialet® 20 speaker premium sound system	●
BYD voice assistant	●
USB - C port ×1 + USB - A port ×1, Centre console	●
USB - C port ×2 , Rear	●
Lights	
LED Matrix* headlights, with automatic activation, follow-me-home functions	●
Adaptive Front Light (AFL)	●
Dynamic welcome lights for headlights	●
LED daytime running lights	●
LED rear combination lights	●
Front and rear dynamic turn signals	●
LED high-mounted brake light	●
Foot illuminating lamps for the front seats	●
Luggage compartment, glovebox and cubby lighting	●
Front and rear reading lights (LED)	●
Multi-color gradient ambient lighting with music rhythm on door handle	●

Windows and mirrors	
Rain sensing intelligent wipers, with integrated washer spray	●
Privacy glass for rear doors and rear windscreen	●
Front windshield with silver-coated heat insulation and double-layer sound insulation	●
Electric heating defogging and defrosting for rear windshield	●
Double-layer sound insulation on all four side windows	●
One-touch up and down for four windows with anti-pinch function	●
Electric adjustment for exterior rearview mirrors	●
Automatic anti-glare for external rearview mirrors	●
Heating defrosting for rearview mirrors	●
Automatic lower when reversing for rearview mirrors (curb view, both sides)	●
Electric folding for rearview mirrors	●
Automatic folding for rearview mirrors when locking	●
Exterior rearview mirror position memory	●
Outside rearview mirror foot lights	●
Digital interior rear view mirrors with automatic anti dazzling function	●
Climate Control	
Automatic air-conditioning	●
AC ion purification system + CN95 Filter and negative ion generator	●
6-inch LCD screen for rear climate control functions	●
Four-temperature zone control	●
Second row side air vent	●
Onboard refrigerator / heater (from -6°C to 50°C)	●
Intellingent Driving Assistance System	
Lidar based Advanced Driver Assistance Systems (ADAS)	●
Adaptive Cruise Control, ACC	●
Intelligent Cruise Control, ICC	●
Forward Collision Warning, FWC	●
Automatic Emergency Braking, AEB	●
Front Cross Traffic Alert/Brake, FCTA/B	●
Blind Spot Detection, BSD	●
Door Open Warning, DOW	●
Rear Colision Warning, RWC	●
Rear Cross Trafic Alert/Brake, RCTA/B	●
Lane Departure Assist, LDA	●
Emergency Lane Keeping Assist, ELKA	●
Curve Speed Warning, CSW	●
Automated Parking Assist, APA	●
Intelligent Speed Limit Control**, ISLC	●
Intelligent Lane Change Assist**, ILCA	●
Traffic Light Attention/Control** TLA/C	●
Anti-Misappropriation for Accelerator Pedal**, AMAP	●
e³ Automated Parking Assist**, E3APA	●
Remote Parking Assist**, RPA	●
Highway Navigation Assist**, HNOA	●

*Matrix Function will be activated by OTA updates ** The function will be activated by OTA updates
